

Altrincham Cheshire Branch

Registered Charity No. 223367

Volunteers Wanted !

Local RSPCA branches undertake a wide range of work in their local area and rely on the help of volunteers to carry out a variety of roles such as welfare work, fundraising, shop work and trusteeship.

We are also looking for Cat fosterers who can provide temporary accommodation to care for cats & kittens in need on a short term basis whilst they are found new homes.

Volunteering for the RSPCA is a great way to meet like-minded people and to be involved with a group of individuals who share the same enthusiasm as you for animal welfare

If you could spare some time to help animal welfare locally, we are holding a volunteer recruitment evening on :

Tuesday 2nd March - 7pm

Timperley Methodist Church, Stockport Road ,Timperley .

If you would like more information about volunteering before then, please contact Julia on 0161-286-2503
